

OUR SERVICES

Whether it's shrink wrapping, creating point-of-purchase displays, or handling full supply chain outsourcing with staffing, warehousing and equipment, Aldelano Packaging Corp. can help product manufacturers with a wide array of contract packaging services.

We can provide all or part of the labor, equipment and materials by working onsite at a customer's facility or offsite at a location nearby. Either way, we create win-win partnerships with our customers so operations are timely, cost-effective and seamless.

Here's a sampling of our services:

- **Contract packaging.** We offer an assortment of contract packaging services, including: shrink wrapping, bagging, assembly, "kitting," re-packing, displays, flow wrapping, cartoning, multi-paks, club store packaging, sampling, fulfillment, promotional mailing, stuffing, and more.
- **Packaging materials.** Our full line of custom packaging products and supplies include: corrugated boxes, folding cartons, shrink and stretch films, bubble packs, pallet covers, point-of-purchase displays, tarps, bags, tapes, and supplies. We also design, print and create packaging products.

- **Contract staffing/project management.** We can have a crew of as 30 skilled workers or as many as 1,000 – at your facility or offsite – within a short time frame to help complete your task in a timely and cost-effective manner. We provide full results based project management. Examples of labor related services we provide include: Production line support, warehousing, distribution, material handling, quality lab/analytical services, storeroom operation, damaged good processing cleaning and more.
- **Warehousing/distribution/fulfillment.** Aldelano is experienced in performing a wide range of third-party logistic services required for seamless delivery of goods and products to the marketplace. Our capabilities include: inventory management, product reclamation, e-commerce fulfillment, pick and pack, palletizing, case picking and transportation services.

Your location or ours -- we work with you to meet your packaging and manufacturing challenges. We don't take a cookie-cutter approach; we work with our customers and tailor programs to meet their specific needs, budget and timeline. Let us take care of your packaging needs. And watch as we take contract packaging to a new level.
